Accreditation
This is a nationally recognised skill set

TAESS00026 Foundation Skills Integration Skill Set is focused specifically on Language, Literacy and numeracy. You'll gain the skills and knowledge to integrate foundation skills into vocational practices. It's designed for VET practitioners delivering the FSK Foundations Skills Package and educational support staff involved in assisting students with LLN challenges.

All three units are elective units in the TAE Training and Assessment Training Package. They may be credited towards TAE40122 Certificate IV in Training and Assessment. These units may also be used as elective units within the flexibility provisions of a range of other vocational qualifications.

All our TAE programs offer maximum flexibility and include live and recorded webinars, online homework club, individual support calls and real time progress tracker at no extra cost. Quality is worth it and we know you'll appreciate our efforts to make sure any course you study with us is educationally robust, engaging and streamlined.

We're here to help you succeed!

Who is this for?

This skill set is ideal for experienced professionals who are engaged in the delivery of the FSK Foundations Skills Package in schools or in another vocational practice. It is also a recommended skill set for educational support staff who are assisting learners with LLN challenges. Candidates may wish to use this skill set as the entry point for the full TAE40122 Certificate IV in Training and Assessment.

Step into your future

What You'll Learn

When you finish this Skill Set, you'll be able to:

- Address adult language, literacy and numeracy skills
- Access resources and support to address foundation skills in vocational practice
- Integrate foundation skills into vocational training delivery

Career Opportunities

This course is designed for people who are, or wish to become a vocational trainer or assessor. It is also recommended for educational support staff and teachers who work with students who have LLN challenges.

Delivery Options

Check each course option below as not all delivery options apply.

1. Live Class

i) Group workshop with a trainer to support and guide you through activities. Ask us for scheduled course dates at locations convenient to you.

ii) We can also come to your workplace and deliver a customised program to meet your workplace needs (Minimum numbers apply. Contact us to discuss your particular needs).

2. Blended Learning

This is a flexible and efficient way to complete your qualification. It may include live classes, online study, self-paced activities and webinars.

3. Online

The entire course is offered electronically through our Learning Management System.

4. Recognition of Prior Learning

Recognition of Prior Learning is the process that is used to recognise the skills and knowledge you have acquired through personal and work experience - the "University of Life". The evidence you provide is matched to a complete qualification where possible or alternatively, to part of a qualification. A successful RPL application means that you could receive certification without further study or may be able to fast track through a qualification. Please contact us to organise an individual assessment of your current knowledge and skills.
