Quality is worth it and we know you'll appreciate our efforts to make sure any course you study with us is educationally robust, engaging and streamlined.

We're here to help you succeed!

## Who is this for?

TAESS00028 Work Skill Instructor Skill Set is an ideal qualification for experienced professionals who are inspired to share their knowledge and skills with others through a new career path in the VET sector. This skill set provides the necessary skills and knowledge for people facilitating training under supervision in the vocational education and training (VET) sector.

This skill set is also ideal for experienced professionals who are engaged in workplace training, such as supervisors of apprentices and trainees, team leaders and senior employees. Other candidates may wish to use this skill set as the entry point for the full TAE40122 Certificate IV in Training and Assessment.

## What You'll Learn

When you finish TAESS00028 Work Skill Instructor Skill Set you'll be able to:

- Operate with VET policy, delivery and compliance frameworks
- Organise and conduct demonstrations and instruction for vocational learners
- Check and review your own training performance for continuous improvement

## Career Opportunities

TAESS00028 Work Skill Instructor Skill Set is designed for people interested in becoming or maintaining their capacity to be an Enterprise/workplace trainer. Completion of additional units for TAE40122 Certificate IV in Training and Assessment are ideal for:

- Registered training organisation (RTO) trainer and assessor
- Training adviser or training needs analyst
- Vocational education teacher
- Adult educator

## Delivery Options

Check each course option below as not all delivery options apply.

### 1. Live Class

- i) Group workshop with a trainer to support and guide you through activities. Ask us for scheduled course dates at locations convenient to you.
- ii) We can also come to your workplace and deliver a customised program to meet your workplace needs (Minimum numbers apply. Contact us to discuss your particular needs).

### 2. Blended Learning

This is a flexible and efficient way to complete your qualification. It may include live classes, online study, self-paced activities and webinars.

### 3. Online

The entire course is offered electronically through our Learning Management System.

### 4. Recognition of Prior Learning

Recognition of Prior Learning is the process that is used to recognise the skills and knowledge you have acquired through personal and work experience - the "University of Life". The evidence you provide is matched to a complete qualification where possible or alternatively, to part of a qualification. A successful RPL application means that you could receive certification without further study or may be able to fast track through a qualification. Please contact us to organise an individual assessment of your current knowledge and skills.
